The burden of the tax seems to be a tax on the labour of the poorer classes, and the result is that the people are reduced to a state of poverty.

Socialism in Sidney

The sezion of the work of the socialists in this country is the establishment of a socialist state. They aim at the abolition of private property and the establishment of a classless society.

The socialist movement has been spreading rapidly in this country, and it is now becoming a powerful force in politics.

The socialists believe in the distribution of wealth among all the people, and they advocate the abolition of the class system.

The socialist movement has been spreading rapidly in this country, and it is now becoming a powerful force in politics.
