MONDAY EVENINGS at 8 p.m.
Class Leader: F. STEVENS.

Outlining the subjects necessary to a clear understanding of Working Class problems.
The main points dealt with are as under:
- Political Theories as matters of opinion.
Class Bias in the solution of Social Problems.
Correct Thinking essential to an understanding of Social matters.
History as the foundation of the modern Working Class viewpoint.

Changes in—
(a) Form of Society;
(b) Method of Production;
(c) Method of Thinking.

What these changes mean.
History as a natural process.

Economics Course
Fourteen Lectures.
WEDNESDAY EVENINGS at 8 p.m.
Class Leader: G. BARACCHI.

This Course aims to equip workers with an elementary knowledge of the real foundations of Capitalist society, a knowledge on which they may base their struggle to end Capitalism. It is likewise intended to serve as a guide to further independent study and will range over the following ground:
1. The Place of Economics in Social Science.
3. Simple Production of Commodities (Value—Money and Price—Profi
tion of Commodities).
4. Capitalist Production (Capital and Surplus-Value—Labour
Power and Wages—The Working Day—Co-operation and Division of Labor
—Machinery and Modern Industry—Accumulation of Capital and Relative Surplus-Population).
5. Distribution of the Surplus-Value (Profit and Average Profit—Interest
—Rent—Taxation).
6. Class.
7. Socialism as the Last Stage of Capitalism.
8. Socialist Economy.

Commencement punctually at 8 p.m.
and regular attendance is indispensable.

Industrial History Course
Fourteen Lectures.
TUESDAY EVENINGS at 8 p.m.
Class Leader: E. G. HART.

This Course seeks to explain by what means Capitalism has grown to its present condition, and shows the interplay of the forces now operating in modern society.

1. The Economic System as It Is.
2. Before Modern Capitalism—(a) Village Economy.
3. The Town Economy.
4. The Rise of Modern Capitalism.
5. The Industrial Revolution.
6. The Effect on the Workers.
7. Organising in Trade Unions.
8. Australia a Century Ago.
10. Competition and Combination.
12. Industrial Trust.
13. The Development of Social Classes.

Students are requested to attend Punctually and Regularly.
