EQUAL PAY WEEK NOV. 25-29

EQUAL PAY

can be achieved if you—

- Support Trade Union applications to eliminate the lower wage differential for women.
- Oppose the inordinate delay in granting this just claim.
- Demand wage justice for women.
- Justice delayed is justice denied.

Actively support continued public enlightenment with pressure on individual employers for equal pay under the auspices of the ACTU and its State Branches.

Authorised by H. J. Souter, Secretary A.C.T.U., Lygon Street, Carlton, 3053.
