

YOU NEED C.A.M.P. - C.A.M.P. NEEDS YOU

:: What do you get from C.A.M.P.? Representatives to fight your legal battles. Publications to articulate your views. Social activities to help you externalize yourself. A Forum where you can teach, where you can learn. Clubrooms where you can meet your fellows, male and female, openly, in security, and have a good time!

:: What do you contribute to C.A.M.P.? Only money, only \$10 a year? Is that all? If all of us gave only that, C.A.M.P. could not exist. C.A.M.P. exists because a few members give their time and sweat in addition to money: they volunteer their services to serve tables, to collate publications, to make speeches in public, to write tracts, to type, to wash up, to do bookkeeping, to raise and contribute cash, to wrangle for hours on the Committee, in short, to do the necessary drudgery for us all.

:: What can YOU do to help C.A.M.P.? Please think, decide and come forward! We need more volunteers in almost all fields, especially and desperately (or we may have to shorten our opening hours) for roster duty in the Clubrooms. Please, if you can serve reliably in any capacity whatever, do contact any Committeeman on or off duty, in or out of the office, preferably from 8 pm to 10 pm, any night of the week. Please! Thankyou.

L.A. for the Committee.
