

CONSCRIPTION — ADVICE & DISCUSSION

Two or three years after you leave school you will have to consider registering for "National Service", and you will have to take into account the following questions—

- does the government have the right to order an individual to go against his conscience?
- is it justifiable at any time in a democracy for the government to conscript individuals?
- is Australia's participation in the Vietnam war justified on political or humanitarian grounds?

If you wish to discuss, or seek advice on these issues, or any other issues related to conscription, conscientious objection, or non-compliance, WE CAN HELP YOU !!

The discussion and advisory service will begin on Saturday and Sunday, April 26th and 27th from 2-4pm at 57 Palmerston Street, Carlton. It will be held fortnightly from these dates.

For further information phone 34-5734.
