

catholic CAMP

Our proposed gathering of community leaders - ministers, teachers, and lay readers - is still on.

Due to the Eucharistic Congress our plans have been upset.

Our Gay Camp contribution - Catholic symposium on Homosexuality - - is still in the process of evolving, as is our contribution to the adult education (interdenominational) lectures.

The bimonthly magazine of our groups is under way, and we would welcome any sympathetic material for it.

Next gatherings on 21 March, 4th and 18th of April. Details: phone 67 2572.
