

ACT UP

AIDS Coalition to Unleash Power

ACT UP is a diverse, non-partisan group of people with HIV/AIDS and their supporters united in anger and committed to direct action to end the AIDS crisis.

We meet with government and public officials; we research and distribute the latest medical information.

**We protest and demonstrate;
we are not silent.**

ACT UP's message is that not dealing with AIDS is fatal; with AIDS

**Silence = Death,
Action = Life.**

ACT UP is an open, democratic organisation that meets every week.
